CHS (130 nm) or LRO (134 nm) - Charleston is a nice place to visit but airports aren't that close to town. Love landing at CHS or LRO, getting a courtesy or rental car and going downtown to wander around and eat overlooking the water at Fleet Landing <http://fleetlanding.net/>. Open 11-330p 7 days/week, also Sun-Thu 5p-10p, Fri-Sat 5p-11p, Brunch Sat and Sun 11a-3p. There are lots of seafood restaurants at [Shem Creek](#), which is only 12 miles from LRO.

SUT (142 nm) - Brunswick County, Southport NC. Good seafood restaurants nearby, my favorite is the [Provision Company](#). Open Lunch and Dinner 7 days/week. BUT it is closed Nov-March. Next door is Next door is [Yacht Basin Eatery](#), then beside that is [Fishy Fishy Café](#), all three are on the water. They stay open later into the winter AND they have a webcam so you can see what the weather is before you go! You can rent a car through the FBO - though if you just want seafood for lunch you might be able to get the crew car. **BONUS** – beside Fishy Fishy is [Potter's Seafood](#), so pack a cooler and buy fresh fish caught on the NC coast and unloaded from the boat at the adjacent dock.

SSI (235 nm) - St Simon's Island, GA. 235 nm from EQY. Get the courtesy car and drive (or you can walk if it's a nice day, only 0.3 mile) to [Southern Soul BBQ](#), featured on [Diners, Drive-Ins, and Dives](#). Open Mon-Sat 11a-9p, Sun 11a-6p.

[Stanton's BBQ and Fish Camp Fly-In Restaurant](#). (50 nm) 2300' **Grass** strip near Bennettsville SC. Not on sectional (34.73N 79.67W), need to be current on your short field flying – and you can't take an Aerowood airplane to a grass field without approval from an Aerowood CFI (which you get by taking them there and buying them lunch ☺). Open Thu and Fri 11a-2p and 5p-830p, Sat 11a-830p, Sun 11a-230p. Closed Mon-Wed

HNZ (130 nm) - Henderson NC. Fly in, get the courtesy car, and drive 5.2 mi to Main Street in Oxford NC to eat Italian at [Milano's](#). Well worth the short drive! Open Mon-Sat 1030a-930p, Sun 11a-930p

EHO (50 nm) - Shelby NC. [Flying Pig BBQ](#). Walk down the ramp toward the runway to the path through the grass to the cemetery, open lock (code is "SOCK") and walk thru cemetery and cross road to restaurant. Open Mon-Fri 1030a-730p, Sat 11a-4p, closed Sunday.

FFA (250 nm) – First Flight, Kitty Hawk NC. **Birthplace of aviation** – where the Wright Brothers flew on Dec 17, 1903. **Every pilot has to make the pilgrimage here**. Land (3000' paved strip, be good at crosswinds), walk over to the Wright Brothers Memorial, then less than a mile walk to [Outer Banks Brewing Company](#). From EQY, fly to TYI then between the restricted areas to FFA. If you need fuel, MQI is 6 miles across the water from FFA. Then you can fly VFR down the coast, just offshore from the Outer Banks, and land at MRH. Return inland from there – you can continue to follow the coast South but you'll have to go offshore to avoid Restricted areas.

TDF (110 nm) – Person County, Roxboro NC. Reliable sources (even though they are pilots) tell me that you can get a ride over to the [Homestead Steakhouse and Restaurant](#). Open Tue-Thu 5p-9p, Fri 5p-930p, Sun 1130a-830p, closed Monday.
